Amsterdam Zool. Soc. (In exchange). No date mentioned.

172 Cervis russa (male) (Died in the aviaries)

Andersen (Andersson. C.7)

No date mentioned.

490 Ursus arctos , Linn. (very young - in skin) From Scandinavia.

15.01.1850.

347 A Guco luscus (Linn) (Removed from 39) From Scandinavia.

Atkins.

00.03.1838. (later cat. 1848)

152 Antilope cuvieri ? Ogilby Habitat Magadore. (Destroyed by order 20.06.1900)

(If this was, as Gray thinks a specimen of A Cuvieri, Ogilby- it would show horns long before attaining its present size).

Audubon, J.J. (See Townsend1) J.(I?)K.)

00.06.1838.

573 Lepus —— (Removed from 94) ("female") " From Mr Townsend by Audubon June 1838 " Lable by Ld.D. " Walla Walla C " (Olumbia) " River - Iris dark brown - female. August 20th 1836 - J (I?) K Townsend" label attached.

Bartlett A.D.

00.09.1846.

4 Herpestes vitticollis Benn.

08.05.1850.

127 A Martes flavigula (Boddaert) (Removed from 78) From Darjeeling.

574 Leopardus ——— ? (Removed from 5) From Darjeeling. (Skull No. 116)

No date mentioned.

Stuffed specimen Dec. 1854. (See Cuming H.)

420 Canis alpinus Pall. From the Altai Mountains (in skin) (Skull in coll No. 51)

Bates, S.J.

No date mentioned.

180 Cervus (nemorvagus ?) (female) From S.America (Destroyed 20.01.27. JH ?)

00.10.1836.

67 Hand - drinkbak monkey (later cat. Brachyurus Satanas (Hoffm). From S.America.

92 Arctibeus ——— (later cat. A.perspicillatum) (in skin) From S.America

00.09.1843.

36a Coëlogenys sub-niger , F.Cuv. Habitat South America.

1880 Cervus rufus , F.Cuv. (young male) From Belize. (Destroyed by order Committee oo.06.1853).
(Died in the aviaries 00.09.1843).

194a Didelphys derbianus, Waterh. (male). From the Belize River.

235 Cercolabes melanurus , Gray. From South America.

387 Sciurus ——— (S. Boothia, Gray (G.R.W.(N?)) - in later cat) From Guatemala.

388 Sciurus ——— (S. Adalphei, Lens - in later cat.) From Acajult, coast of the Pacific.

388a Sciurus ——— (S. Adolphei, Lens - in later cat.) From Acajult, coast of the Pacific.

Brandt.

00.00.1845.

114a Mustela alpina (Gebler). (removed from 46) (Skull 124) "Mustela Altaica female Iliucon. 1841. (W.Notk. Ponaccobe ?) " - on label attached.

116a Mustela Sibirica. Pall ((removed from 48) (skull 128 (37).

485 Myogalea moschata (Linn) From Kirgisen.

489 Erinaceus auritus, Pall. From Siberia.

Bridges. T.

No date mentioned.

27b Hydrochoerus Capybara, Erxl (young - in skin) From Bolivia

75 Callithrix entomorphaga (D'Orb) (Skull in coll No.50) (adult in skin) From Bolivia.

76 Callithrix donacophila (D'Orb? - later cat Donacophilus, D&Orb). (Skull in coll No. 101a). (in skin) From Bolivia.

77 Nyctipithecus felinus (Spix) (Skull in coll No.59) (in skin) From Bolivia.

150a Dictyles tajasu (Linn) (very young - in skin) From S.America

188 Cervus rufus, F.Cuv. (in skin - male)

188a Cervus rufus , F.Cuv. (in skin - young)

240 Tamandua tetradactyla (Linn) (in skin) (Skull No. 130) From Bolivia

240a Tamandua tetradactyla (Linn) (in skin) (Skull no. 130a) From Bolivia. [later cat adds - From Bolivia (from Chile acc. to label)]

(244a Dasypus tricinctus, Linn (in skin) "55" (Skull No..135) given in Exchange to Denny 18.12.1860)

(245b Dasypus minutus, Desm. (in skin) from Bolivia (Skull No. 136b) Given in exchange to Denny 18.12.1860)

245c Dasypus minutus , Desm. From Bolivia (Skull No..136c)

249 Dasyrocta Azarae, Licht. (in skin) From Bolivia.

266 Didelphys Azarae (Temm) (adult female - in skin) From Bolivia.

266d Didelphys azarae (Temm) (very young in skin) From Bolivia (Skull No. 76a)

279 Lagidium Cuvieri (Benn) (in skin) From Chili or Bolivia

279a Lagidium Cuvieri (Benn) (in skin) From Chile or Bolivia

280 Lagidium pallipes , Benn, (in skin) From Bolivia

289 Ctenomis Boliviensis ,Waterh (in skin) pale variety From Bolivia

289c Ctenomis Boliviensis , Waterh. (in skin) pale variety From Bolivia

292 Echimys brachyurus , Rengg (in skin) From Bolivia (Destroyed 09.09.37. R.P.)

294 Didelphys —— ? Waterh. (in skin) From Bolivia

295 (Holochilus . O.I.)
Hesperomis brasiliensis, Waterh. (in skin) From Bolivia. (Destroyed 09.09.37. R.P.)

329a Lepus Brasiliensis, Linn (in skin) From Bolivia

329b Lepus Brasiliensis , Linn (in skin very young) From Bolivia

369 Octodon Bridgesii ,Waterh. (in skin) From Chile

369 a/b. Octodon Bridgesii Waterh. (in skin) From Chile.

370 Vespertilio (V.(lasiurus) noveboracensis (Linn) - later cat) (in skin) From Quillota, province of Aconcagua.

371 Mus Darwinii Waterh. (in skin) From Chile.

Bridges. T.

No date mentioned.

371d Mus darwinii Waterh. (in skin) From Chile. (later cat. From Bolivia)

379 Sciurus Langsdorffii, Brandt. (male - in skin)

379a Sciurus Langsdorffii, Brandt. (female - in skin)

379b Sciurus Langsdorffii, Brandt. (white-bellied variety - in skin)

397 Sciurus —— Gray (S. see Proc. Zool. Soc., Gray - later catalogue (in skin)The white patch behind the ears distinguishes it from astuans.

437 Mus longipilis, Waterh. [(Hesperomys) xanthorinus, Waterh. (O.T.)- in pencil] (in skin) From Chile.

437a Mus longipilis Waterh. (Hesperomys longipilus (O.T.) in pencil Waterh crossed out). (in skin) From Chile. (Destroyed 09.09.39. R.P.)

437b Mus longipilis Waterh. From Chile.

443 Mus —— From Chile or Bolivia.

444 Mus —— (later cat. Mus darwinii. Waterh. same as 371) (in skin)

444a Mus —— (later cat. Mus darwenii, Waterh. same as 371.) (in skin)

480 Scotophilus —— (in skin) From Bolivia

00.02.1844.

269 Didelphys elegans (Waterh.) From Chile.

286 Habromma Bennetti (Waterh.) From Chile

286a Habromma Bennettii (Waterh) (in skin) From Chile

286b Habromma Bennetti (Waterh) (in skin) From Chile.(Destroyed ,skin decomposed 08.03.06.H.D.F.)

288 Habrocoma Cuvieri, Waterh. From Chile.

290 Ctenomys Brasiliensis, Blainv. From Bolivia

385 Mus longicaudatus Bennet, From Chile.

385a Mus langicaundatus Bennet. From Chile.

414 Mus Renggeri. Waterh. From Valparaiso.

00.10.1844.

269a Didelphys elegans (Waterh.) (Removed from 80) From Chile (Skull No.78)

269b Didelphys elegans (Waterh) (Removed from 81) From Chile (Skull No. 78a)

545 Canis Azarae, Desm. (Removed from 549) Chile (Skull in coll. No. 54)

545a Canis Azarae, Desm. (Removed from No. 29) From Chile (Skull in coll. No. 54a)

547 Lutra Chilensis, Benn (Removed from No. 24 inventory) From Chile (Skull in coll.No. 56)

547a Lutra Chilensis Benn (Removed from No. 23. of inventory) From Chile (Skull in coll. No. 56a)
(skull no. 56a present to Prof. Palleries. Liverpool University 31.05.1904)

558 Canis Magellanicus (Gray) (Removed from 28) From Chile. (Skull in coll. No.88)

Bridges. T.

09.10.1844.

558a * Canis Magellanicus (Gray) (Removed from 32) From Chile "Canis culpeus, Molina" L.Frazer. (Skull in coll. no. 88a) * There is a degree of uncertainty as to whether these labels belong to this or the following specimen T.J.(12)M

558b Canis Magellanicus (Gray) (tail very bushy) (removed from 34) (a damaged skin) (skull in coll. no. 88b) (558b presented to Prof.Paterson Liv. University 31.05.1904)

09.11.1844.

178 Cervus ears cropped (later cat C. antisinensis ; D'Orb Tesudi —— p ——)female From Chile. The urine of this animal has the same strong unpleasant smell as the Brockets - Thompson. This differs from Virginianus in having only one gland on hind legs and from the brocket in having one ——.

09.02.1845.

287a Octodon Degus (Mol) (Yellow variety) From Chile.

287b Octodon Degus (Mol) (Yellow variety) From Chile.

414a/b. Mus Renggeri . Waterh. From Valparaiso.

23.08.1846.

32b Dasypus Peba, Desm (Removed from 115) "59" (Skull No. 111a)

32c Dasypus Peba, Desm (Removed from 116) " 58" (Skull no. 111b)

32d Dasypus Peba , Desm. (Removed from 112) "60" (skull no. 111c.)

33d Dasypus Encoubert ?, Desm. (Removed from 117) "17"

244b Dasypus tricinctus , Linn. (Removed from 120) "55"

24.09.1846.

103 Cyanopterus —— (in later cat. Carollia Boliviensis Gray n. sp.) (in skin) From Bolivia

476 Molossus Perotis (P.mar) (in skin) From Bolivia.
476a Molossus Perotis (P.mar) (in skin) From Bolivia.
477 Dysopes velox ? Temm. (in skin) From Bolivia.

09.02.1847.
178 Cervus — ears cropped (in later cat. C.antisinensis. D'Orb)

17.12.1847.

112a Nasua narica (Linn) (in skin) From Bolivia (A record of this no. and letter but with no particulars attached - this should be 112e - see rough cat.)

112b Nasua narica (Linn) (in skin) From Bolivia.

112c Nasua narica (Linn) (in skin) From Bolivia (skull No. 96) in exchange (original says presented - amended)to Prof.Paterson,Liv. Univ. 31.05.04.)

112d Nasua narica (Linn) (in skin) From Bolivia.

175 Cervus campestris (male with only one horn - in skin) From Chile.

175a Cervus campestris (Female) From Chile.

241b Bradypus tridactylus (Linn) (young in skin) From Bolivia (skull no. 1298) The labels (whence obtained) on these animals appear to have been transferred before they came under my care . T.J. (17) M.

244 Dasypus tricinctus Linn (in skin) From Bolivia.

Bridges. T.

17.12.1847.

263 Didelphys lucia (Natt) (in skin) From Bolivia (Skull no. 79)

263a Didelphys lucia (Natt) (in skin) From Bolivia (Skull no. 79a)

285 Cavia boliviensis. Waterh. (in skin) From Bolivia.

285a-d Cavia boliviensis. Waterh. (in skin) From Bolivia.

285e Cavia boliviensis Waterh. (in skin) From Bolivia (5 specimens)

285f Cavia boliviensis. Waterh. (in skin - immature) From Bolivia.

289a Ctenoinis boliviensis, Waterh. (in skin) From Santa Cruz. de la Sierra, Bolivia.

289B Ctenoinis boliviensis, Waterh. (in skin) From Bolivia.

290a Ctenomys brasiliensis. Blainv (in skin) From Bolivia.

290b Ctenomys brasiliensis, Blainv (in skin) From Bolivia.

329 Lepus brasiliensis, Linn. (in skin) From Bolivia.

329c Lepus brasiliensis, Linn (very young - in skin) From Bolivia

379c Sciubus langsdorfii, Brandt.

379d Sciubus langsdorfii, Brandt. (skull no. 97) (Destroyed by order of Director 20.06.1900)

00.07.1848.

414c Mus renggeri, Waterh. (see . 00.08.1848)

00.08.1848.

368 Schizodon fuscus. Waterh. (in skin) From Bolivia.

371a Mus darwinii, Waterh. (in skin) From Chile.

371b Mus darwinii, Waterh. (pale variety - in skin) From Chile.

371c Mus darwinii , Waterh. (pale variety - in skin) From Chile - 2 of this number.

414c Mus renggeri, Waterh. (in skin) (N.B. in earlier cat. 00.07.1848)

19.07.1850.

75b Callithrix entomophaga (D'Orb) (in skin) From Bolivia.

76 c/d Callithrix donacophilla (D'Orb) (in later cat. donocophulus, D'Orb) (in skin) From Bolivia.

492. Procyon cancrivorus, Ill (in skin)(From Bolivia. Skull in coll. No. 92)(destroyed as useless March 1928 Jec)
(The above is the last number catalogued by Frazer at the Mammalia (?- 492, says ditto)

549 Canis fulvipes ? Martin (Removed from 31) From Bolivia (Skull no.90) (This differs somewhat from the fig. in Voy. Beagle. strictly in the tailbeing more bushy at the base than there represented - and wanting the white margin to the upper lip)

568 Didelphis canerivora., Gmelin (male) (Removed from 83) (skull in coll.no.75.)

Bridges.t. (see Bruzon)

00.07.1848.

97a Vespertilio (lasiurus) rufus, Gray (in skin) From S. Mexico.

Bridges. T. (See Cuming H.)

00.02.1845.

13 Gallictis vittata , Bell. From Chile.

13a Gallictis vittata , Bell (male) From Chile.

24 Felis pajeros, Desm. From Chile.

93 Endostoma D'Orbignyi. Waterh. (in skin) From Chile.

246a Myopotamus coypus (Mol) (very young) From Chile.

Bridges, T. (see Cuming, H.)

04.02.1845.

438 Mus —— (in later cat. Mus rattus, Linn (GRN(N?) (male) From Chile. (Cumings on label B.F. 1959"- earlier cat)

438a Mus —— (in later cat. Muse rattus, Linn (GRN (N.?) female From Chile.

24.09.1846.

103a Cyanopterus ——(in later cat. Carollia boliviensis, Gray n.sp) (in skin) From Bolivia.

459 Mus longitarsis, Rengger (GRNN (N?)) [(Hesperomis) longicaudatus (O.T.)] (in skin) From Bolivia.

459a Mus longitarsis, Rengger (GRN (N?)) [(Hesperomys) longicaudatus (O.T.)](in skin) From Bolivia.

477 Dysopes velox ? Temm. (in skin) From Bolivia.

481 Noctilio —— (in later cat Noctilio n. sp) (in skin) From Bolivia.

17.12.1847.

16b Lagostomus trichodactylus, Brookes. (male in skin) From Chile.

16c Lagostomus trichodactylus, Brookes. (female in skin) From Chile.

22b Dolichotus patachonica, Shaw. (in skin) From Chile.

22c Dolichotus patachonica, Shaw (adult in skin) From Bolivia.

22d Dolichotus patachonica, Shaw (immature, in skin) From Bolivia.

24a Felis pajeros, Desm (in skin) From Chile (Skull in coll. no. 113) } first cat.

24b Felis pajeros, Desm. (in skin) From Chile) states 1848.

34a Dasypus villosus, Desm. (youn - in skin) From Bolivia (first cat. in pencil)From Chile (second cat. in pencil ? (skull No. 134)

34b Dasypus villosus, Desm. (young, in skin) (skull no. 134 a)

(75a Callithrix entomophaga ,(D'Orb) (young) From Bolivia. N.B. original cat. Cuming - later cat crossed out to Bridges).

(76a Callithrix donacophila (D'Orb?) (later cat. Donacophilus; D'Orb) (in skin) From Bolivia.
+
76b. N.B. oringinal cat. Cuming - later cat crossed out to Bridges)

00.08.1848.

289 e Ctenomys boliviensis, Waterh. (in skin) From Bolivia.

17.12.1849.

24a Felis pajeros , Desm. (in skin) From Chile (skull in coll.no.113) (See 17.12.1847)

24b ~~d~~ Felis pajeros, Desm. (in skin) From Chile (See 17.12.1847)

Bruce . (Capt. of the Ship. Wm. Russell of Liverpool)

30.06.1834.

48 Cavia Cupestris , Pr. Max (female) Habitat Brazil.

Bruzon.

18.07.1848.

400 Didelphys breviceps, Benn. (in skin) N.B. In later catalogue date changed to 1848.)From the south part of Mexico "Eyes black" - Bruzon (skull no. 77)

18.07.1848.

32a Dasypus peba, Desm. (in skin) From S. part of Mexico. (skull in coll. no.111)

92a Arctibeus —— (later cat. A.perspicillatum) From. S.Mexico.

374 Mephitis mesoleuca, Licht. (young - in skin) From the south part of Mexico.

381 Sciurus niger Linn. (in skin) From the south part of Mexico

383 Sciurus leporinus ? Aud - & Bachm (in skin) From the south part of Mexico.

384 Sciurus leucotis, Gapper (in skin) From the south part of Mexico.

(400 Didelphys breviceps, Benn - poss. 1848 - see 18.07.1843)

450 Vespertilio —— (later cat Pteropus —— n. sp ?) (in skin) From the south part of Mexico. (later cat. —— Habitat ——?)

Bruzon (see Bridges, T.)

18.07.1848.

97a Vespertilio (lasiurus) rufus . Gray. (in skin) From S. Mexico.

Bullocks sale

07.05.1919

— 205 Macropus lateralis,Gould (male) From York. W. Australia.

— 205a Macropus lateralis, Gould (female) From York, W.Australia.

— 205b Macropus lateralis, Gould (young) From W.Australia.

— 206 Macropus fasciatus (Per et Les) (male) From Northam, W.Australia.

— 206a Macropus fasciatus (Per et Les) (female) From Malyema swamps . W.Australia.

♀ ✓ 208a Macropus irma (Jourdan) (young) From York. W.Australia.

— 215 Macropus lunatus, Gould (female) From Malyema, Swamps. 40 mls. N.E of Northaw (sp?) W.Australia.

— 215b Macropus lunatus, Gould (young male) From 40 mls N.E. of Northaw (sp?) W.Australia.

♀ 219 Macropus eugenii (Desm) (female) From Wongon Hills. W.Australia.

♀ 232a Hypsiprymnus gilbertii, Gould (young male) From the vicinity of Albany,King Georges Sound.

♀ ✓ 232b Hypsiprymnus gilbertii, Gould (young female) From the vicinity of Albany, King Georges Sound.

— 256a Dasyurus hallucatus, Gould From York W.Australia,(Are all this no. hallucatus? examine and compare with waterhouses description(s)? of allied species).

— 260 Chaeropus castanotis, Grey. Habitat Swan River.

♀ ✓ 261. Perameles myosuros, Wagn (male) From vicinity of Wangor Hills.W.Australia.

♀ 262 Perameles obesula (Shaw (female) From Moores River. W.Australia.

♀ 262a Perameles obesula (Shaw) (male) From Perth W.Australia.

— 271 Tarsipes rostratus (Gerv + Verr) From Albany ,King Georges sound.

— 271a Tarsipes rostratus (Gerv + Verr) From Perth W.Australia.

♀ 272 Phascogale apicalis, Gray. From Moores River, W.Australia.

♀ ✓ 272a Phascogale apicalis, Gray. From Moores River. W.Australia.

♀ *274 Phascogale minima (Geoff) From Perth. W.Australia.

♀ ✓ * 274a Phascogale minima (Geoff) From Perth W.Australia.

* The above specimens were lent to Gould July 1844 and again November 1857, the second time they were returned "leucogaster. G.W. " was written in pencil beneath the stand,I presume by Waterhouse T.J.(I?)M.

— 276 Phascogale leucogaster, Gray (male) From Albany ,King Georges Sound.

— 276a Phascogale leucogaster, Gray (female) From Albany King Georges Sound.

♀ ✓ 406 Mus ——. From Cape Lewis.

♀ ✓ *412 Hapalotis longicaudata, Gould . From Toodyay.W.Australia.

♀ ✓ *412a Hapalotis longicaudata, Gould . From Moore's River , in the interior of W.Australia.

C'ontid...

GOULD. J.

00.07.1844. (C°ont°d..)

* (is this melan ura ? - later catalogue)

00.07.1845.

— 95 Scotophilus morio, Gray. From New South Wales.

— 228 Hypsiprymnus grati, Gould(male.) From the vicinity of York. W.Australia.

— 228a Hypsiprymnus grati, Gould (female) From the vicinity of York.W.Australia.

✓ 275 Phasogale macroura, Gould (old male))"From open Plains, Darling Downs, New South Wales, " (Gilbert, J.)

*275a Phascogale macroura Gould (mature female)"From open Plains Darling Downs, New South Wales, (Gilbert, J. label)

"(275a sent to B.M. in exchange. 30.04.1887. see copy in letter book of note to Oldfield Thomas)

✓ 403 Mus lineo caudatus, Gould. From open plains, Darling Downs, New South Wales.

✓ 403a Mus lineo caudatus, Gould. From open plains, Darling Downs. New South Wales.

✓ 408 Mus (assimilis, Gould - in pencil) From Australia.

✓ 409 Mus (assimilis, Gould in pencil) (male) From Hastings River (New South Wales - in pencil A.J.M. This is one of the originalspecimens described by Gould being in his hands at the time he described the species before.Zool.Soc.(P.Z.S.1857 p.241) When returned it had in pencil beneath the stand. "Mus assimilis" apparently in Goulds writting.

08.02.1848.

✓ 220 Macropus derbianus, Gray (male) From East Wallaby Island, Houtman's abrolhos.

220a Macropus derbianus, Gray (female) From East Wallaby Island, Houtmans Abrolhos.
